

Meeting called to order 9:02 AM

Environmental Public Health Week – CIPHI NL took a more active role this year in advertising for and participating in Environmental Public Health Week from September 22-26 2014. Branch President Laurie Hearn called in to VOXM's Open Line and Back Talk shows. The Education Committee, headed by Eastern Representative Nicholas Blake, produced a series of daily picture messages which were disseminated to branch members and government wide. Service NL also issued a news release with comments from the Ministers of Health and Community Services and Service NL. The branch has received a lot of positive feedback on its efforts this year and hopes to expand on their efforts next year.

Retirement – Darroch Vokey, current Past President on CIPHI NL's Executive, is retiring from his employment with Service NL as of November 30 2014. Darroch will be moving to the Northwest Territories to pursue further employment. The Past President position will remain vacant. We thank Darroch for his years of service to the branch and wish him the best of luck with his future endeavors.

Report for Annual Educational Conference – A preliminary draft of the post-conference report was provided to the executive. Discussion around specific items in the draft that required clarification.

ACTION ITEM: Laurie to edit draft as per executive recommendations and review with Tammy MacDonald for further information.

Motion to Adjourn: Matthew Glover

Seconded by: Brenda Greene

Meeting Adjourned 10:15 AM
